

## **AMSI ID1 – Taxonomy of Support Services for Individuals with IDD**

First Edition – 2025

---

### **Summary:**

Outlines four main categories of support services for individuals with IDD and their families, providing a unified framework for planning, delivery, and workforce alignment.

### **Key Points:**

- Four service categories:
  1. **Family Services:** respite, education, guardianship, sibling support
  2. **Community-Based Services:** day programs, recreation, clinical care, transportation
  3. **In-Home & Residential Services:** personal care, group home, emergency support
  4. **Employment Services:** job readiness, coaching, placement, retention
- Aligns with SOC codes and federal, state, and local regulations
- Enhances coordination, funding clarity, role definition, and accountability
- Serves as a base for training, certification, and equitable salary structures
