

AMSI IDS1 – Taxonomy of Supported Employment Services for Individuals with IDD

First Edition – 2025

Summary:

Provides a structured taxonomy for Supported Employment (SEMP) services, defining all stages of the employment journey for individuals with IDD, aligned with national standards and SOC codes.

Key Points:

- Nine-step employment journey: from intake to long-term maintenance
- Defines roles for job coaches, VR counselors, clinicians, and other specialists
- Integrates ACCES-VR, OPWDD, OMH, and DYCD funding coordination
- Aligns service stages with labor market expectations and Medicaid-funded program definitions
- Serves as a framework for training, certification, equitable pay, and role clarity
